Product Code JC101ECOGREY

Part of our range of 10, 12.5, 20 & 25 Litre, ECO One Can® Jerry Cans.

Compatibility

Some chemicals, and process parameters, can affect the integrity of the container. The buyer must undertake testing and approval for the containers suitability for the product and application.

Raw materials are REACH compliant and safe for food contact.

The Eco recycled range is manufactured from 30% post-consumer recycled r HDPE whilst maintaining our rigorous quality standards. Eco Jerrycans are available in four sizes from 10 to 25 litres. They are reusable and 100% recyclable.

Designed for ease of use; the 'no leak' pouring spout and closure provides precise, safe dispensing. The ergonomic 'smooth grip' handle makes full cans comfortable to carry. When not in use, they securely stack.

Eco Jerrycans are ideal for numerous non-food applications such as household detergents, non-aggressive chemicals, DIY, garden products, pet care, toiletries, etc.

Samples are available by request.
